

château Petit-Clos-Figeac

Saint-Emilion

Château PETIT-CLOS-FIGEAC is a 4-hectare vineyard located beside the famous Château Figeac in Saint-Emilion. Its sandy-clay soil contains a big proportion of iron-pan. Thus, **Château PETIT-CLOS-FIGEAC**, is a wine appreciated for its bouquet and its suppleness.

These qualities are obtained thanks to the choice of grape varieties and the nature of soils, as to the cares brought in the vine culture and the modern methods for winemaking.

Guy & Barbara Janoueix also own Château GRAND FORTIN and Domaine de LA BOURRUE in Saint-Emilion, Château GRATE-CAP and Château SAMSON in Pomerol.
